### Rules

1. This challenge is considered a backyard sanctioned tournament and will be reported to CanStats.
2. This Showdown is open to Canadian and US pitchers that have paid their 2020 memberships. Membership cards will be asked for. (Note: Canada Backyard Champ is only open to Canadian pitchers).
3. You can complete your challenge in your back yard, your Club or League night, etc.
4. The challenge is a handicap based tournament in which total score will determine the winner. Handicap will be determined by using your posted CanStat/NatStat average as of June 30, from the Horseshoe Canada or NHPA website.
5. Handicap will be calculated utilizing the top ringer percentage posted in CanStats as of June 30, which is Lindsay Hodgins (2019 World Women's Champ) with a percentage of 80.70%. Handicap is calculated by taking 80.70% less your average multiplied by a factor of 0.8.
6. Handicap will be calculated and added to your score by tournament director Jason Rideout.
7. Prizes will be awarded to first, second and third place based on total points plus handicap. Other prizes and draws may occur.
8. Entries must be submitted by Monday July 13th to Jason Rideout via email: [jrideout.tp@gmail.com](mailto:jrideout.tp@gmail.com) Questions can be directed to that email or by calling (506) 467-1129
