PLAYING RULES

This section explains the playing rules of horseshoes and may specify a general or specific penalty for violations. These rules apply to all HORSESHOE CANADA sanctioned events, which includes tournament play and/or league play. All contestants, including pacers and/or league substitutes, must be current HORSESHOE CANADA members. Failure of contestants to abide by these rules may result in penalties that range from a verbal reminder, to loss of points, to forfeiture of games, or to suspension of membership, while failure of the Tournament/League Officials (or designees) to monitor and enforce these rules could result in penalties to the club or Provincial sanctioning body. This information can also be found on the HORSESHOE CANADA website at www.horseshoecanada.ca and is recommended for anyone playing the game for recreation or non-sanctioned play.

RULE 1 – PITCHING DIVISIONS

Section A – Juniors (See REQUIREMENT 6, for exceptions and additional information)

1. Peewees (any pitcher twelve (12) years old or younger for the entire calendar year)

Peewees may pitch from any place on the extended or full-distance platforms and shall observe the twenty-foot (20') foul line. **Note:** Peewees may choose to move into the Junior Boys or Junior Girls prior to the age guidelines, but cannot return to the Peewees, once this declaration has been made.

2. Junior Boys (any male pitcher eighteen (18) years old or younger for the entire calendar year)

Junior Boys may pitch from any place on the extended or full-distance platforms. They shall observe the twenty-seven-foot (27') foul lines. **Note:** Junior Boys may choose to move into the Open Men Division prior to the age guidelines, but cannot return to the Junior Boys, once this declaration has been made.

3. Junior Girls (any female pitcher eighteen (18) years old or younger for the entire calendar year)

Junior Girls may pitch from any place on the extended or full-distance platforms. They shall observe the twenty-seven-foot (27') foul lines. **Note:** Junior Girls may choose to move into the Open Women Division prior to the age guidelines, but cannot return to the Junior Girls, once this declaration has been made.

Section B – Open Men (no age restriction)

Open Men contestants shall pitch from on or behind the full-distance platforms and shall observe the thirty-seven-foot (37') foul line.

Section C – Open Women (no age restriction)

Open Women contestants may pitch from any place on the extended or full-distance platforms and shall observe the twenty-seven-foot (27') foul line.

Section D – Seniors *Note:* Pitchers become eligible to pitch in the Senior Division at any time during the calendar year that they become sixty (60) years old). *Note:* Seniors may choose to remain in the Open Men or Open Women Divisions.

1. Senior Men

Senior men shall pitch from on or behind the full-distance platforms and shall observe the thirty-seven-foot (37') foul line.

2. Senior Women

Senior women may pitch from any place on the extended or full-distance platforms and shall observe the twenty-seven-foot (27') foul line.

Section E – Elder Men *Note:* Men become eligible to pitch in the Elders Division *upon purchase of a HORSESHOE CANADA card dated for* the calendar year that they become sixty-five (65) years old.

1. Elder Men

Elder men may pitch from any place on either the extended or full-distance platforms, and shall observe the twenty-seven-foot (27') foul line. Elder Men must notify their Provincial secretary, in advance, of the date that they intend to begin pitching from this shorter distance. Once a member declares as a short distance pitcher, he must remain in that Division until the next year's membership card is purchased. At that time he may switch back to the Open Men's Division, but must remain in that Division until the next year's membership card is purchased, etc. **Note:** See RULE 11, Section D.1 for additional information about re-qualifying.

2. Physically Challenged Men

Physically challenged, male pitchers less than sixty-five (65) years old may be given permission, by their Provincial body, to move onto the extended platforms in the Elders Division and observe the twenty-seven-foot (27') foul lines. The prior completion and approval of a Medical Exemption Application Form (available from the HORSESHOE CANADA website) is required. At the World Tournament and at HORSESHOE CANADA sanctioned tournaments, they shall compete in the Elders Division.

RULE 2 – GAME PREPARATION

Section A – Court Assignment

Each contestant shall find his or her court assignment and warm up on that court for their first game. The court shall be prepared for play in a timely manner so that all games can begin at about the same time.

Section B – Pit Preparation and Maintenance

Contestants (or designee) are responsible for preparing one of the pits of their assigned courts before, or after, each game. This preparation includes watering and turning of the clay (if needed), to keep it in soft, putty-like condition, or raking the sand. Upon completion, the pit material shall be level with the pitching platforms, with no evidence of a “dome” or “pocket” within the scoring area. For raised pits, the pit material should be prepared in the same way as above, except that the pit material shall be level with the side-rails, and at a depth of four inches (4”), within the scoring area. Once a game has started, clay pit material within the scoring area may not be moved or altered without consent of the opponent. Sand or dirt pit material, however, may be re-leveled during the game, without consent of the opponent. Any pit material moved for the measurement of a shoe or for the removal of a “buried” shoe may be replaced.

Section C – Painting of Stakes

To make the stakes more visible for the contestants, they may be painted between games (white paint is often used) so that there is a good contrast between the color of the stake and the color of the backboard. The painting of stakes shall not be allowed while a game is in progress, unless both contestants are in agreement.

Section D – Start of Each Tournament/Class

The tournament officials will make an announcement when it is time for the tournament/class to begin. The first game should not begin before this announcement. The flip of a shoe(s) or coin(s) shall signify the beginning of each game. The winner of the flip will have choice of first or second pitch.

Section E – Court Rotation

At the end of each game, contestants shall go promptly to their next assigned court. If the court is vacant, they may practice here at this time. **After the games on adjacent courts are completed**, both pits shall be prepared for play (see Section B above). When the scorekeeper is ready, the contestants have the option of pitching no more than four (4) additional warm-up shoes each, and then the next game must begin immediately.

Note: Contestants who may choose to start the game of their next round, before all games of the current round have been completed, must realize that their game may be interrupted by distractions such as pit preparation and/or other nearby movements.

RULE 3 – PLAY OF THE GAME AND VALUE OF THE SHOE

Section A – Innings

The game is divided into innings. Each inning consists of four (4) pitched shoes; two (2) by each contestant.

Section B – Value of the Shoe

1. Pitched shoes

After all shoes for the inning have been pitched, they are either considered to be “live shoes” or “dead shoes” and may then be scored accordingly.

(a) Live Shoe

Refers to any shoe that has been pitched in compliance with the rules of the game and that comes to rest within the pit area.

(b) Dead Shoe

Another term for a foul shoe that was delivered in non-compliance with one of the rules of the game. This term may also refer to a ringer that has been “cancelled” by an opponent’s ringer.

2. Shoe in Count

(a) Ringers

A ringer is a *live* shoe that comes to rest while encircling the stake. A straightedge touching either the points or any part of the heel calks of the shoe must clear (not touch) the stake in order to be declared a ringer. A ringer has a value of three (3) points. (See exception for "Ringers Only" format - Rule 6, Section A.2)

(b) Points

A *live* shoe that is not a ringer, but comes to rest six inches (6") or closer to the stake, has a value of one (1) point. This includes a "leaner".

3. Shoe out of Count

A shoe that comes to rest more than six inches (6") from the stake is a shoe "out of count" and has no scoring value. A foul shoe (see Rule 5 for additional information) is also considered to be a shoe that is out of count, no matter where it comes to rest.

Section C – Delivery of Shoes

1. Delivery

The contestant pitching first shall deliver both shoes (underhanded, and one at a time) and then the other contestant shall deliver both shoes (underhanded and one at a time). A contestant may deliver the shoes from either the left or right pitching platform, but in any one inning, both shoes must be delivered from the same platform. A contestant shall pitch the entire tournament with the same hand/arm, except in the case of a medical emergency (to be determined by the Tournament/League Officials).

2. The Pitcher

During the entire address and prior to the release of the shoe, the contestant must not start or step completely outside the platform with either foot.

Exceptions:

(a) A contestant observing the thirty–seven-foot (37') foul line may start directly behind the platform provided they step within it when they release the shoe.

(b) A physically challenged contestant requiring assistance of special equipment, such as a wheelchair, must have at least some contact with the platform and be completely behind the twenty-seven-foot (27') foul line when the shoe is released.

3. Time Limit

A contestant shall deliver both shoes within thirty (30) seconds. This time limitation shall be determined by a judge and will start when the contestant steps onto the pitching platform with the intention of pitching and is in a "set" position for the first pitch.

Exceptions:

(a) Extra time will be allowed to repair a damaged shoe (filing a burr for example).

(b) If a contestant becomes distracted due to unusual playing conditions or by another contestant or spectator, they will not be penalized for this additional time.

4. Accidental Release

Any shoe that leaves a contestant's hand once the final step (if taken) and final forward swing of the delivery process has started, shall count as a pitched shoe. A shoe that is accidentally dropped by a contestant before the final step (if taken) and final forward swing has started, shall not be considered a foul shoe and may be picked up and pitched.

Section D – Position of Contestants during Delivery

The opponent while not pitching shall stand on or behind the other 40 foot (12.20 m) platform at least two feet (61 cm) to the rear of the contestant who is pitching. The opponent shall be quiet and stationary so as not to disturb the contestant who is pitching or the contestants on adjacent courts. After a short distance contestant pitches first they must return to the 40 foot (12.20 m) platform if the opponent or any contestant on an adjacent court is a full distance pitcher.

Section E – Crossing Over

If both contestants use the same pitching platform to deliver their shoes, the contestant pitching first should cross over (in front of the pit) to the other platform and then move back to the position described in Section D, above. As the first contestant is crossing over in front, the second contestant should be crossing over and onto the same platform, from the rear. If the contestants use opposite platforms, the contestant who pitches first should step directly back to the position described in Section D, above.

RULE 4 – FLOW OF THE GAME

Section A – Possible Delays

1. Scoring

Once the four (4) shoes of an inning have been pitched, the contestants shall walk to the opposite pit, determine the score for the inning, and then retrieve their shoes. No shoe shall be moved before its scoring value is determined. If this decision is in doubt, a judge shall be called. The judge shall make the necessary measurements and determine the scoring for the shoe(s) in question. To help speed up play, contestants are encouraged to carry measuring tools and to make their own decisions on scoring, whenever possible. Play shall continue in a similar fashion for each inning until the game is completed.

2. Opposite Stake

No contestant shall walk to the opposite stake (except to remove a foul shoe) or ask to be informed about the position of any pitched shoes prior to the completion of an inning.

3. Spare Shoes

At any one time, a contestant shall carry and use only two (2) sanctioned horseshoes during the course of a game. A spare shoe or shoes should be taken along to the courts in case of a broken shoe or if the contestant chooses to switch shoes. Shoes may be switched between innings, but not during an inning, unless a shoe breaks.

4. Wrong Shoe

If it is discovered during an inning that a contestant has pitched the shoe of an opponent (and if the opponent agrees), the remaining shoes may be pitched and the score will be based on the shoes they pitched. If the contestants do not agree on pitching the remaining shoes, then the shoes pitched shall be picked up and the entire inning shall be re-pitched, using the correct shoes. If the contestants fail to discover this error until after all four (4) shoes have been pitched, the inning shall be scored on the basis of whatever shoes they pitched. If agreement cannot be reached, a judge shall be called. Based upon input from the contestants, the judge shall either determine the scoring for the inning or void it and order the inning to be re-pitched.

5. Moving the Shoe or Stake

When a **contestant** is measuring a shoe and the shoe (or the stake) is accidentally moved, the inning shall be scored only if the contestants can come to an agreement. If no agreement can be reached, a judge shall be called. The judge shall either determine the scoring or void the inning and order it to be re-pitched. When a **judge** is measuring a shoe and the shoe (or the stake) is accidentally moved, the judge shall either determine the scoring for the inning or void it and order it to be re-pitched.

Exceptions:

Any shoes for which point values have been agreed upon by the contestants (such as ringers which may have been removed to measure other shoes) should not be re-pitched or have their value changed due to a re-pitch of other shoes. Only the shoe(s) in question when the shoe or stake was moved should be ordered re-pitched by the judge. If one or more shoes are below the shoe(s) in question, they shall remain in place for the re-pitch and shall be scored at the completion of the inning.

6. Leaving the Courts

If a contestant has to leave the area of the court complex between games for a legitimate reason, they shall notify their next opponent, the scorekeeper, or a Tournament/League Official and shall return soon after the last game of that round is completed. Failure to return in a reasonable period of time (to be determined by the Tournament/League Officials) will result in the forfeiture of that *next* game.

RULE 5 – FOUL SHOES

Section A – Removal from Pit

A *foul shoe* is a shoe that is delivered in non-compliance with one of the rules listed below. It scores as a shoe “out of count” (see RULE 3, Section B.3) and is to be removed from the pit (if it appears to be within the scoring area of the stake) before any more shoes are pitched. **Note:** *Live* shoes already in the pit area that may be disturbed by a foul shoe (or other live shoes), are not to be removed, unless they are knocked into foul territory and then come to rest in the scoring area. Live shoes shall be scored “as they lie”, after all shoes for the inning have been pitched.

Interpretation: A shoe that is in the court and is within the scoring area and then knocked by a foul shoe into the backboard and ends up as a ringer should be removed from the pit as it is now a foul shoe as it has hit the backboard. Conversely, if a shoe that is outside the scoring area but still legally in the pit is struck by a foul shoe and ends up as a ringer it would be left to be scored as a ringer after all the shoes are pitched. The score cannot be called until all the shoes are pitched and then it is ‘as it lies’.

Section B – Enforcing Violations

1. Enforced by Judge

The following are rules violations that must be spotted and called by an assigned judge. The penalty is to declare the shoe a foul shoe.

- (a) Any shoe pitched when the contestant, during the delivery, has stepped on or over the foul line before releasing the shoe.
- (b) Any shoe pitched when the contestant has started or stepped completely outside the pitching platform with either foot before releasing the shoe (see exceptions in RULE 3, Section D-1a, 1b).
- (c) Any shoe not delivered within the thirty (30) second time limit (see RULE 3, Section C-2).

2. Monitored by Judge and Contestants

The following occurrences are also considered foul shoes and, where it applies, the shoes must be removed from the pit (if they appear to be in the scoring area of the stake) before any more shoes are delivered, unless all contestants in that game agree to leave a foul shoe where it is.

Interpretation: A foul shoe that is resting against the backboard need not be removed, but a foul shoe that is located at the front of the pit and may be struck by another pitched shoe should be removed.

- (a) Any shoe pitched with the opposite hand/arm; in the same tournament (See also Rule 3, Section C.1).
- (b) The second shoe, if it is pitched from a different platform than the first shoe.
- (c) Any shoe that contacts the backboard, platform, court frame, or any ground outside the pit area before it comes to rest.
- (d) Any shoe that strikes a permanent object such as a tree limb, wire, indoor court ceiling, etc. **Note:** A shoe that strikes a foreign, moving object is not foul and may be re-pitched.
- (e) The second shoe if the contestant changes shoes after the first shoe has been pitched. The only exception is if the first shoe has broken and qualifies for a re-pitch.
- (f) A contestant's shoe(s), if the contestant removes any shoe before the scoring of that shoe has been agreed upon. If the contestants cannot agree, a judge shall be called to determine the scoring or may order the inning re-pitched.

RULE 6 – SCORING THE GAME, CALLING THE SCORE

Section A – Methods of Scoring

There are *two methods* of scoring the game of horseshoes: *cancellation scoring* and *count-all scoring*. The method of scoring to be used shall be announced by the Tournament/League Officials before the tournament begins. **Note:** Shoes that land outside of the “in count” area or that are declared foul shoes (see RULE 5) shall score zero (0) points.

1. Cancellation Scoring

In cancellation scoring, the ringers of one contestant *cancel* the ringers of the opponent. Cancelled ringers are also referred to as “dead” ringers. **Note:** only *one* contestant can score in each inning.

(a) Ringer Point Values

The ringer(s) of one contestant cancel the ringer(s) of the opponent. Any cancelled ringer scores zero (0) points. Any un-cancelled (live) ringer scores three (3) points.

(b) Shoes in Count

A shoe six (6”) inches or closer to the stake is “in count” and shall score one (1) point under the following conditions:

1. If there are two (2) cancelled (dead) ringers and no live ringer, the closest shoe to the stake, which is in count, shall score one (1) point.
2. If there are no ringers, the closest shoe in count shall score one (1) point. If the other shoe of the same contestant is the second closest shoe in count, it shall also score one (1) point.
3. If there is one un-cancelled (live) ringer and if the other shoe, of the scoring contestant, is the closest in-count shoe to the stake, it shall score one (1) point (a total of four (4) points).

4. Opposing contestant's shoes that are touching the stake, or that are in count and determined to be an equal distance from the stake, shall cancel each other and, like cancelled ringers, shall score zero (0) points. In this situation, the next closest shoe in count (if there is one) shall score one (1) point.

2. Count-all Scoring

In count-all scoring, *both* contestants receive credit for the points they score in each inning.

(a) Point Values

Each contestant may score zero (0), one (1), two (2), three (3), four (4), or six (6) points per inning.

(b) Ringers Only

A variation of count-all scoring where the contestants only receive credit for the *ringers* they pitch, for all innings of the game. In this format, each ringer is worth one (1) point. Each contestant may score zero (0), one (1), or two (2) points per inning. This type of scoring should be limited to higher percentage classes.

Note: Single points are not countable in this format.

Section B – Calling the Score

1. Cancellation Play

(a) Called By

The score shall be called to the scorekeeper by the contestant who scores one or more points, inning by inning. If no points are scored, the contestant who pitched second will call the score.

(b) The Correct Call

When calling the score, ringers (if made) shall be reported first, and then points (if made). **Note:** Contestants from different regions may use different phrases for calling the scores. (Recommended and alternative calls can be found in GUIDELINE 2.)

2. Count-all Play

(a) Called By

The score shall be called to the scorekeeper by only one of the two contestants, for the entire game, inning by inning. The person who calls the score shall be determined by Sanctioned League rules, by the Tournament/League Officials, or by the pitchers.

(b) The Correct Call

The caller shall report his/her score first, followed by the opponent's score. Since there are no cancelled ringers, only number scores shall be reported (see Section A.2, above).

Section C – Recording the Score

The score sheet (not the scoring device) shall be the official record of the game. When possible, contestants are encouraged to pay close attention to the score at all times. If a question or discrepancy occurs regarding the correct score, the contestants may approach the scorekeeper between innings (or during their half inning) to clarify the situation. If the discrepancy cannot be corrected to the satisfaction of both contestants, a judge or Tournament/League Official shall be called to make the final decision before play resumes.

RULE 7 – PITCHING ROTATION DURING THE GAME

Section A – Cancellation Rotation

After the flip of a shoe(s) or coin(s), the winner will choose who pitches first. If the game is to be played under cancellation scoring, there are two (2) ways to determine who will pitch first in the *next* inning, once the game has started. The method to be used shall be determined and announced before play begins, by the Tournament/League Officials.

1. Cancellation Play

The contestant who scored in the preceding inning shall pitch first in the next inning. If neither contestant scores, the contestant who pitched last in the preceding inning shall pitch first in the next inning.

2. Alternate First Pitch

Alternate first pitch is used to guarantee each contestant an equal number of first and second pitches during a game. It may also allow for differing pitching conditions. If the game is to be played to a shoe limit, it is recommended that this limit be a number divisible by four (4). *Alternate first pitch shall be done in one (1) of three (3) ways, to be determined and announced/explained by the Tournament Director:*

(a) One contestant shall pitch first in innings 1, 4–5, 8–9, 12–13, 16–17, etc. while the other contestant shall pitch first in innings 2–3, 6–7, 10–11, 14–15, etc. until the game is completed. This is the fairest way and is recommended.

(b) One contestant shall pitch first in innings 1–2, 5–6, 9–10, 13–14, etc. while the other contestant shall pitch first in innings 3–4, 7–8, 11–12, 15–16, etc. until the game is completed.

(c) One contestant shall pitch first from one end of the court, and the opponent shall pitch first from the opposite end.

Section B – Count-All Rotation

Any game played using count-all scoring shall also use one of the alternate-pitch formats, described above in Section A-2.

Section C – Handicap Rotation

At the Tournament Directors discretion, an alternate pitch format may be used. (Also see Rule 11, Section F)

Section D – Pacer Rotation

If a pacer is used, the pacer will always pitch last, in every inning of the game. (See GUIDELINE 5 for additional information about pacers).

Section E – Pitching Out of Turn

If it is discovered during an inning (before all four (4) shoes are pitched) that the wrong contestant has pitched first, the shoes pitched so far in that inning shall be re-pitched. If the error is not discovered until after all four (4) shoes have been delivered, they shall be scored as they lie and the original rotation shall be re-established for the rest of the game. If no agreement can be reached, a judge shall be called. The judge shall either determine the scoring or void the inning and order it to be re-pitched.

RULE 8 – LENGTH OF GAMES, BREAKING OF TIE GAMES

Section A – Length of Games

There are two (2) options:

1. Point Limit

The game shall be played to a pre-determined number of points. Forty (40) points is a suggested amount. The first contestant to reach (or exceed) that amount is the winner.

2. Shoe Limit

The game shall be played to a pre-determined even number of shoes. Forty (40) or fifty (50) shoes are a suggested amount. When that number is reached, the contestant with the highest score is the winner.

Section B – Breaking of Tie Games (See also Rule 11, Section B)

There are two (2) options:

1. Game Remains Tied

Each contestant may receive $\frac{1}{2}$ win and $\frac{1}{2}$ loss. (This option must be used if a handicap system is in effect).

2. Additional Innings

A two-inning tiebreaker may be played, using the same method of play that was used to begin the game. In the event of another tie, this same procedure shall be continued until the tie is broken.

RULE 9 – BROKEN OR CRACKED SHOES

Section A – Broken Shoes

1. Upon Delivery

If a shoe breaks into two or more pieces as a result of striking the stake, striking another shoe in the pit, or from landing into the pit substance, the pieces shall be removed and a replacement shoe shall be pitched in its place. If the shoe breaks when striking the backboard or other "foul" territory, it shall be considered a foul shoe and may not be re-pitched.

2. After Delivery

If a shoe has landed in the pit and becomes broken by having another shoe land on it, it shall be scored, as it appears to lie. If there is any disagreement, a judge shall be called. The judge shall either determine the scoring for the inning or order a replacement shoe to be re-pitched.

Section B – Cracked Shoes

If it is discovered that a shoe is cracked (but not completely broken into two or more pieces), it shall be scored as it

lies. If there is any disagreement, a judge shall be called. The judge shall either determine the scoring for the inning or order a replacement shoe to be re-pitched. In any event, a cracked shoe must be replaced before the game can continue.

RULE 10 – LOOSE OR BROKEN STAKES

Section A – Loose Stakes

Stakes that are obviously loose, and can be easily moved out of position, shall be replaced before Sanctioned League or Tournament play begins. If a stake becomes loosened *during* Sanctioned League or Tournament play, immediate replacement is recommended. If this is not possible, care should be taken *not* to move the stake during the measurement of shoes. This stake shall be replaced before the next sanctioned event.

Section B – Broken Stakes

If a stake appears to have become broken during sanctioned play, a judge or Tournament/League Official shall be called to make this determination before the stake or shoes are moved. If the stake is determined to be broken, the game shall be discontinued at the end of the previous inning and the stake shall be replaced. If a stake breaks as the result of being struck by the fourth shoe of the inning, then the inning may be counted. If the contestants cannot agree on this, then a judge shall be called to determine the scoring for the inning or void it and order the inning to be re-pitched, once the game resumes. Once the scoring for the inning is determined, the Tournament/League Officials may decide to resume play after the stake is replaced, to complete the game on another court, or to complete the game at a later time. A judge or Tournament/League Official will notify the contestants about resumption of play.

RULE 11 – TOURNAMENT/LEAGUE PLAY

Section A – Standard Method of Sanctioned Tournament Play

The standard method of HORSESHOE CANADA sanctioned tournament play is round-robin play with contestants being seeded into classes using current CanStats ringer percentages. Each contestant will play all other contestants in the Class. Court assignments and the order of play will follow a posted or printed schedule, normally given to each contestant at the beginning of the contest.

Section B – Determining Class Winners, Breaking of Ties

The Tournament Officials shall decide how Class winners are to be determined and how ties are to be broken and shall announce these procedures before tournament play begins.

1. Class Winners

At the end of round-robin play, win/loss records or ringer percentage shall determine Class winners. In addition, total points may be used if the scoring was done using the count-all method.

2. Class Ties

If ties occur, they shall be broken by playoff games, overall ringer percentage, who-beat-whom in the regular round-robin, or highest above/closest to their entering ringer average. In World, National or Provincial Championships, all ties for first place in the *Championship Class* of a designated Division must be broken by a playoff game(s).

Section C – Ringer Percentage

A contestant's game and tournament ringer percentage shall be determined by dividing the total number of ringers by the total number of shoes pitched. Shoes pitched in playoff games and in extra innings pitched, because of tie games, shall be included in these totals.

Section D – Seeding Contestants

Contestants shall be seeded into Tournament Classes based on their current CanStats ringer percentage at the time of the entry deadline. An exception could be the top seeding of a defending champion (not required) when his/her current CanStats ringer percentage isn't the highest percentage within the Championship group. All CanStats average ringer percentages shall be based on the three (3) highest HORSESHOE CANADA sanctioned events pitched in the preceding twelve (12) months, or among the last ten (10) sanctioned events pitched during the same period, whichever occurs first. The CanStats average ringer percentage is calculated by dividing the total number of ringers by the total number of shoes pitched for those three (3) events.

1. No Current Average

Any contestant without a current ringer average at their pitching distance shall pitch a minimum of one hundred (100) consecutive shoes on a sanctioned court to establish their tournament seeding percentage. This qualifying must be scored in writing and witnessed by two (2) HORSESHOE CANADA members no more than thirty (30) days prior to the entry deadline. Note: This 100–shoe qualifier is not a sanctioned event.

2. Less Than Three (3) Events

Contestants with less than three (3) sanctioned events shall use the combined ringer percentage average of the one (1) or two (2) sanctioned events in which they have pitched. This may include the one hundred (100)-shoe qualifier described above.

3. Other Options

The number of sanctioned events required for entering Provincial tournaments may vary and shall be determined and announced in advance by the Tournament/League Officials.

Section E – Mixed Classes

If there are not enough entrants to form a competitive Class within a given Tournament Division (see Rule 1), contestants should be placed into more competitive “mixed” Classes where the overall ringer percentage “spread” will be less.

Section F – Handicapping

Handicapping may be used in open tournaments and in league play. The Tournament/League Officials shall determine the amount of the handicap. Class winners will be determined by win/loss record or by total points scored. An alternate-pitch format shall be used. For the breaking of Class ties, the options in Section B (above) may also apply, except that ringer percentage shall not be used. Game handicapping shall not be used in any World, National or Provincial Championship Tournament.

Section G – Forfeits

If, for any reason, a pitcher must forfeit a game prior to its completion, this player will receive a loss for that game and any accumulated statistics (shoes, points, ringers) for that game will be deleted from their records. His/her opponent will receive a win for that game and any accumulated statistics (shoes, points, ringers) will remain in his/her records.* A contestant may forfeit any number of games, due to illness, injury, or other legitimate reasons approved by the Tournament/League Officials, and still be permitted to return to the competition. Any contestant who forfeits such games will finish wherever their W/L record puts them in the standings, unless they forfeit for unapproved reasons. If so, they will not be allowed to return to the competition, will be moved to last place in the standings, and will forfeit all prize money and/or awards for that event. If forfeiting games for unapproved reasons, this contestant will also be subject to a one (1) year suspension from the HORSESHOE CANADA; to be decided later by the Provincial and HORSESHOE CANADA executive.

* Please note: If a forfeited game is "in progress", a Pacer should be used so that this game can be completed, for the opponent.

RULE 12 – APPROPRIATE HORSESHOE CANADA MEMBER CONDUCT

Section A – On the courts

A HORSESHOE CANADA member, while in competition, shall make no disturbing noises or movements that would distract the opponent or contestants on adjacent courts.
